

Use this application to establish an Artisan Partners Funds Coverdell Education Savings Account. To transfer your Education Savings Account directly from another custodian, you must also complete an Education Savings Account Transfer Form (available on Artisan Partners' website). Do not use this form to establish any type of IRA or regular account.

Important Information for Opening a New Account

Please complete this entire Education Savings Account Application, sign it and mail it and additional documentation, if applicable, to Artisan Partners Funds. Failure to complete all required sections will result in processing delays. Please retain a copy of the completed application for your records.

We encourage you to consult with your legal counsel and/or tax advisor in completing this form regarding the tax consequences and tax requirements of establishing an Education Savings Account.

Federal law requires financial institutions to obtain, verify and record identification information on each individual who opens an account to help prevent money laundering and terrorism funding activities. To invest, we require your name, address, date of birth and social security number.
