We encourage you to consult with your legal counsel and/or tax advisor in completing this form regarding the tax consequences and tax requirements of establishing an IRA.

Conversion of an existing Artisan Partners Funds Traditional IRA to a Roth IRA with Artisan Partners Funds.

Current Artisan Partners Funds Traditional IRA account number: _____

Amount converted: All Part (specify how much): \$ _____

Under IRS rules, a conversion of a Traditional IRA to a Roth IRA (a "conversion"), or a rollover distribution from an employer-sponsored retirement plan to a Roth IRA, is treated for US federal income tax purposes as a taxable distribution. For a conversion, IRS rules also require the custodian to withhold 10% of the conversion amount for US federal income taxes unless no withholding has been elected. State tax withholding may also apply if federal income tax is withheld. Consult with your tax advisor or refer to your state's tax laws for more information.

Caution: Withholding income taxes from the amount converted (instead of paying applicable income taxes from another source) may adversely impact the expected financial benefits of converting from a Traditional to a Roth IRA (consult your financial and/or tax advisor if you have a question). Because of this impact, by electing to convert a Traditional IRA to a Roth IRA, you are deemed to elect no withholding unless you check the box below:

Withhold 10% for US federal income taxes (if you want a greater percentage withheld, write that percentage here: _____%).

Military Death Gratuity or Payment

Rollover of military death gratuity or payment from service member's Group Life Insurance Program received by reason of death of a military service member.

Date payment received: _____

(MM-DD-YYYY)

Note: To facilitate proper recordkeeping and tax reporting for your Roth IRA, we require separate Roth IRA accounts to hold annual contributions and to hold conversion amounts. If you wish to make both annual contributions and conversion contributions by converting, transferring or rolling over an existing Traditional IRA, please complete different IRA applications to set up separate Roth IRAs. If you are transferring or rolling over an existing Roth IRA, please set up separate Roth IRAs for a transfer or rollover of an annual contributions Roth IRA and a conversion Roth IRA.

5. Recharacterized Contribution

Check the applicable box(es) and complete the following if you originally made a contribution to a Traditional IRA and wish to recharacterize it as a contribution to a Roth IRA, or vice versa.
